

Progress Report 1

CFAN 3091V | Proposal Development Track

Name: _____ **Meeting:** _____

Bring: Your requirements audit, candidate notes, three sent messages, and any replies. Hand in this report after the meeting.

Since Week 2

Outreach sent by Mon, Sep 21: ☐ 0 ☐ 1 ☐ 2 ☐ 3 of three **Replies so far:** _____

Program requirement or timeline question still unresolved: _____

1. What did you accomplish since the last report?

Name your domain and rough research question, and what you learned from preparing or sending the outreach messages.

2. What did you struggle with, and how did you try to resolve it?

Name the current obstacle and what you already tried.

3. What is your plan for the next period?

Give specific actions and dates. Include the next advisor-search action if no faculty member has agreed to work with you.

4. What questions do you have for me?

Before Week 4

The question you want pressure-tested today, in one sentence. Week 4 builds a documented search on whatever this turns into.

Decision recorded in the meeting: _____

Next action and date: _____

Instructor check: ☐ Satisfactory ☐ Not Yet Satisfactory
