

Progress Report 3

CFAN 3091V | Proposal Development Track

Name: _____ **Meeting:** _____

Bring: Your Method and Feasibility Blueprint and your current source set. Hand in this report after the meeting.

Since Progress Report 2

Primary Advisor: ☐ confirmed ☐ asked, awaiting reply ☐ not yet asked **Name:** _____

Committee, if you have started one: _____

The question changed since you rebuilt it in Week 5: ☐ no ☐ narrowed ☐ new outcome ☐ new population ☐ other

Sources added since the Search Record: _____ **Read closely:** _____

1. What did you accomplish since the last report?

Refined research question, in PICO or the slot structure it needs:

Literature. The themes emerging, and where they conflict.

2. What did you struggle with, and how did you try to resolve it?

Include the claim or source that most needs scrutiny, whether or not you have inspected it yet, and what you already tried.

3. What is your plan for the next period?

Dated actions. Name the Blueprint decision that most needs advisor review, and the Early Advisor Design Check: who reviews it, what you send, and by when.

4. What questions do you have for me?

Before Week 8

The one decision you must make before synthesis begins.

Decision recorded in the meeting: _____

Next action and date: _____

Instructor check: ☐ Satisfactory ☐ Not Yet Satisfactory
