

Early Advisor Design Check

CFAN 3091V | Week 10

Student: _____ **Date sent:** _____

Primary Advisor: _____

Use this worksheet to prepare and document the design check. Redact private comments, contact information, and any material you do not have permission to share. Submit the worksheet with a dated record of the request or exchange.

Materials Sent

Check each item you sent or identify why it was not included.

☐ Research question ☐ Method and Feasibility Blueprint ☐ Relevant draft sections

What I asked the advisor to review about the design:

Design Decision or Open Question

What decision, recommendation, or unresolved question came from the check:

What evidence or constraint makes this important for the proposal:

Action Before Submission

Change I will make, investigate, or deliberately leave unresolved:

Where it belongs in my Week 10 draft: _____

Next action and date: _____

If No Response Has Arrived

Record the request anyway. Do not invent an advisor response.

Date and method of request: _____

Follow-up date and method: _____

What I will decide or prepare without waiting:

Attach: a dated, redacted copy or screenshot of the request or exchange.
