This is a first, tentative record. We will complete it together. You are not expected to arrive with final answers, and you may revise any entry as our reading changes.

1. Topic

In a short phrase, what broad subject is this paper about?

2. Research Question

What are the authors trying to find out? Record the page, paragraph, or passage that helped you locate the question.

Location in the paper: _____

3. Central Claim

Record one consequential conclusion or interpretation. Keep its scope and level of certainty visible.

Location in the paper: _____

4. Supporting Evidence

What specific result, observation, estimate, figure, table, quotation, theme, case, model, passage, or other evidence is connected to that claim?

Evidence type: _____

Exact location: _____

5. Connection

How does the evidence support the claim? State the reasoning that connects them. Do not write only “it proves it.”

6. Boundary

What does this evidence **not** establish? Name one limit involving scope, comparison, measurement, context, uncertainty, or interpretation.

7. Uncertainty

What would you inspect next before treating this entry as settled?

First Claims-and-Evidence Ledger Entry

Use the work above to create a compact entry you can revisit later.
